<p>Families need to get 3 daily servings of milk, cheese or yogurt for stronger bones and healthy bodies. Did you know your body is 72% water? Your body can lose about 10 Cups of fluid each day through sweating, going to the bathroom-even by breathing. What is lost must be replaced! So drink up 8- 8 oz. glasses a day.</p>	<p>There will be no Summer Feeding Program this summer .</p>	<p>Parents we encourage you to enroll your children in myschoolbucks.com so you can keep track of their accounts and pay online.</p>
